### Welcome to the Dining Room...

Our Head Gardener grows much of our produce  
in our Kitchen Garden from seed with care and  
dedication.

This is harvested in season by our Head Chef  
and his brigade, which is used alongside the  
best locally sourced produce to create truly  
innovative and contemporary dishes.

My team and I are passionate about creating a  
friendly & relaxed atmosphere and take pride to  
serve you with excellence.

Should there be anything we can do to  
enhance your dining experience, please do not  
hesitate to ask me.
