SCAVENGER HUNT

Welcome to the Mallory Scavenger Hunt!

You have been tasked with rescuing the Mallory Bears that have been lost around the grounds!

Each bear is holding a letter, write down each letter to find the pass-phrase.

SCAVENGER HUNT

1. Head out the front and take a left, the first lost bear was a keen gardener! You will find all sorts of plants and flowers out here; the first lost bear was last seen smelling the roses _____
2. Wonder across our great lawn and enjoy the views, if you need a rest, you may find the perfect spot to take a seat. The next bear was having afternoon tea in a spot of shade. _____
3. Wonder past the daffodils to find a secret cut through leading to our Rock Garden, the next bear had a large collection of sticks, I am guessing he was getting ready to play Pooh Sticks. _____
4. Following the map to our Lower Terrace, the next bear was supposed to meet up with Harry the Herron for lunch, he is late for his reservation! _____
5. The next bear loved to play games outside. His favourite game to play is Croquet, the team bus is waiting for him so tell him to hurry up and put the equipment back! _____
6. Making your way through our herb garden, following the map down to our beautiful apple trees. Bears love to climb trees, so I suggest looking up! _____
7. Following the footsteps up the path next to our maze garden, the next bear was told about the hidden treasure at the centre of the maze, if you can find the centre you will find the bear! _____
8. Coming to the end of the hunt, the last bear was warming himself up by the fire with a cup of tea! Hopefully he has not fallen asleep!

What is the missing ingredient that makes a dream work? _____
